

Clear Lake Montessori School Newsletter

February 2020

Message from School

Dear Parents,

In February, our children will be studying the Solar System, listening to books by author Margaret Wise Brown (Goodnight Moon) and continuing their study of the continent of Asia.

This is an exciting time in the Montessori classroom as classrooms have normalized and strong communities have now been formed after so many days together. Spring is right around the corner! Children will be outdoors gardening again soon and hatching Monarchs.

Our elementary aged students are studying the Earth's atmosphere in addition to many other engaging lessons. Each week they participate in a coding class that will ultimately prepare them for Robotics.

Thank You!!

“We serve the future by protecting the present.”

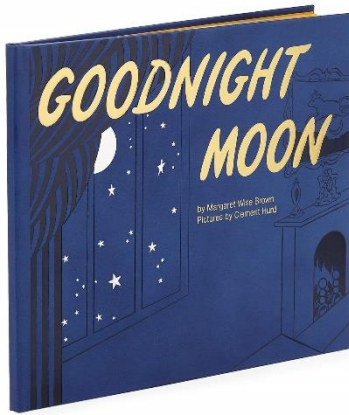

- Maria Montessori

Dates to Remember:

- None
