

# Clear Lake Montessori School Newsletter

March 2020

## Message from School

Dear Parents,

Happy March!

Soon the early childhood children will be preparing the vegetable gardens for spring vegetable and Monarch butterfly gardening. If you would like to contribute there will be a sign up sheet soon for gardening needs.

This month we will be enjoying books by Dr. Seuss and learning about the characteristics of spring. We will also begin our botany study of parts of seed and plant, as well as parts of the insect.

The Elementary class will be making shoebox biomes and working on gardening. They will also be planning a reading club and book report project.

Thank You!!
