December 2019

## Message from School

Dear Parents,

We are so grateful for each of you and wish each of you a very happy Thanksgiving!

Each month we focus on a different virtue with our students. In the month of December we will be discussing the importance of “sharing” with others. Sharing is caring. Each child is invited to bring one canned good to share with a local food pantry in the month of December. Also, we will have a “wish tree” in the front office with our teachers’ and students’ wishes for lessons for our classrooms. We wish each of our families a festive holiday season ahead!

Thank You!!

“The hand is the instrument of intelligence. The child needs to manipulate objects and to gain experience by touching and handling.”

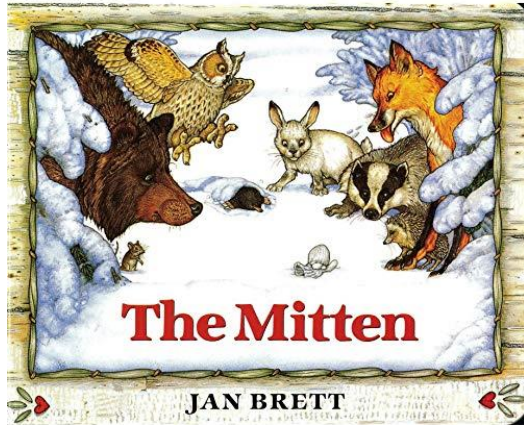

- Maria Montessori
