

Clear Lake Montessori After-School Program

2486 Falcon Pass Dr, Houston, TX 77062
281-486-4971

Art Program

Led by Mrs. Kayleigh Hoffmaster, former CCISD art teacher, our joyful, hands-on art class uses the TAB approach to foster creativity, independence, and self-expression as children explore materials and ideas like real artists

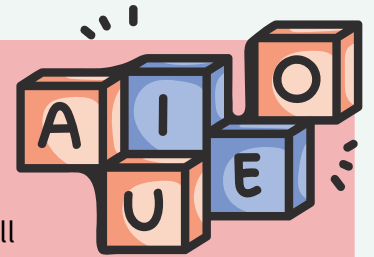

Business Buddies

High school mentors from CLHS guide students through fun, age-appropriate lessons in math, entrepreneurship, teamwork, and financial literacy—connecting real-world concepts with Montessori values.

Language Immersion

Led by native speakers and experienced educators, our engaging language classes help children build fluency and cultural appreciation through songs, games, stories, and conversation—all thoughtfully aligned with Montessori principles.

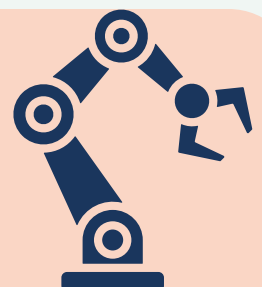

Kiddo Yoga

Kiddo Yoga is a playful and heart-centered yoga experience designed for children. We'll blend traditional yoga practice with music, games, movement, and mindfulness. These make yoga fun, accessible and age-appropriate for all.

Lego Robotics, Coding, & STEM*

Children explore engineering and problem-solving as they build and program robots using LEGOs, motors, and sensors in our hands-on LEGO Robotics class. In STEM Enrichment, children engage in monthly-themed projects that combining science, technology, engineering, and math in fun activities!

*Lego robotics, coding & STEM is an optional third-party program that costs an extra charge.
